NOTES:

1. Full turnout gear, SCBA and spare bottle and a minimum of one quart of water are required at *all* classes, unless otherwise instructed. Two quarts required for all burn classes.
2. Starting with Class 8, an 8' rope suitable for knots, 7mm - 10mm (3/8"), at *all* classes.
3. Starting with Class 5, hand tool and flashlight at *all* classes.
4. Textbooks and course materials at *all* classes, unless otherwise instructed. Two engines with ladders and operators, EMS Team (rehab) and FAST (minimum 4 qualified interior firefighters) will be needed for all burn classes. Additional assignments will be made throughout the course and all departments are expected to assist.
5. All reading assignments are from Delmar Firefighter's Handbook, 2nd ed., New York Edition unless otherwise noted.
